**Subject: Thanking**

We would like to take this opportunity to thank Mrs. Maya Baas, Mr. Tobias Floscher and Mr. Christian Rupp for your support. The commitment you made to donate for our school, Mandali Higher Secondary School is greatly appreciated. Your commitment for providing one year admission and tuition fee as well as books, dresses for Girls of Grade 11 and Grade 12 studying in Education and Management faculty for 10 students who are poor as well as intelligent, can help them to brighten their future.

Again, we would like to say thank you for your support. We look forward to working with you and providing same donation to our school in future.
